Re: MUR 6838

Dear Ms. Senanayake:

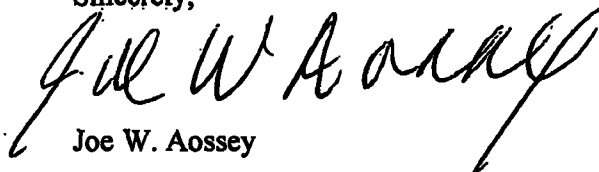

Thank you for your letter dated Feb. 2, 2016. I am a private citizen who was not involved at the time with any of the campaigns of the four people pictured on the post card. I was simply a concerned citizen trying to inform the public that these were four people who would make good representatives for our state.

At the time that I printed the card, I was not aware of the Federal Election Campaign Act of 1971 and the laws governing the Act. If I had been aware of these conditions, I would have complied with the law and obtained the proper disclaimers for the mailer. I would have further filed an independent-expenditure report with the Commission under the 52 U.S.C. 30104(c) law.

Again, I apologize for not complying with the Commissions Federal Election Act. My only interest was to advocate for these candidates, not to skirt the Law. In the end, they all lost their elections.

Thank you.

Sincerely,

Joe W. AOssey
